### **The Gender Game Series - Author Bella Forrest**

Part memoir and part social study and commentary Juno Dawson's The Gender Games is a fantastic, engaging and thought inducing look at gender, sex, sexuality and all the things in between that cause so much kerfuffle. I found it brilliantly direct, it made me understand something's I'd been puzzled about and left me feeling empowered as a person.

Or that the apparent gender parity means there are no longer gender biases in game design. A game dev we recently chatted with mentioned that some designers she works with still assume that only 5% of core gamers are women, and that the quoted 41% of women are primarily casual gamers. This statistic can have the exact opposite intended effect.
